

# UTSARI

The Glass Hall at the island in Eco Park was named "Utsari" by Mamata Banerjee, Hon'ble Chief Minister. Over the years it has witnessed many events including BGBS curtain raisers, International Workshops, Seminars with IITs, Company Board Meetings and many family/social events.

During Amphan, super cyclone, it was majorly damaged and has been rebuilt again with spectacular ambience of international standards. So what are you waiting for? For your next event, consider Utsari Hall amidst nature, with ample parking spaces.
